REPUBLIC OF TRINIDAD AND TOBAGO

THE STANDARDS ACT, CHAP. 82:03

NOTICE OF DECLARATION OF TRINIDAD AND TOBAGO
STANDARDS

The following specifications were declared by the Standards Council to be Trinidad and Tobago Standards with effect from 19th September, 1986.

However, in order to preserve the consistency with the numbering system, the following three standards (related to seat belt assemblies for motor vehicles) have been re-numbered.

<i>Old TTS Reference No.</i>	<i>New TTS Reference No.</i>	<i>Foreign or International Standard</i>	<i>Title</i>
TTS 31 60 506	TTS 31 45 502- 1986	JIS B 1001-1985	Diameter of bolt hole and Counter- bore
TTS 31 60 511	TTS 31 60 303- 1986	JIS D 3408-1975	Dynamic Test Methods of Seat Belt Assemblies for Automobiles
TTS 31 60 522	TTS 31 60 304- 1986	AS 2597-1985	Methods of Testing Seat Belts

These Trinidad and Tobago Standards are available at the Trinidad and Tobago Bureau of Standards, 1, Century Drive, Trincity Industrial Estate, Tunapuna, or P.O. Box 467, Port-of-Spain.
